

## Sara- May Colón

---

Director, Mission & Spiritual Care

**Sara-May Colón** serves as the Director of Mission and Spiritual Care at Adventist Health Castle. She is a board-certified chaplain with a diverse educational background. She holds a Master of Business, Master of Divinity and spent her undergraduate studying art and social work. She leans into conversations, curiosities and realities of grief, trauma, death and dying... in hopes to find ways to support the people she encounters both personally and professionally.

She has helped many patients and families at the most difficult times of their lives – times when they are facing loss and dealing with grief.
